

A student may receive up to four (4) semester credits toward high school graduation through correspondence or online courses. The student must notify the school district of his or her intent, and obtain approval, prior to enrolling in the correspondence or online course. Approval will be given if the correspondence or online course meets the educational needs of the student and extraordinary conditions exist which justify the request. The correspondence or online courses must be offered by an institution accredited by the Idaho State Board of Education or other regional accrediting association recognized by the State Board of Education, and registered with the State Board of Education.
