

**CALDWELL SCHOOL DISTRICT #132  
ATHLETIC FIELDS USE**

The athletic fields are to be used only for the purpose for which they were designed and are maintained. Requests for exceptions are to be handled individually upon merit, through the principal of the school or the designee, e.g. athletic director.

Commercial sponsored radio broadcasts of athletic events are permitted through arrangement with the principal of the school or designee.

Out of town athletic teams may use athletic fields for the cost of operation provided the use of same does not interfere with local use.
